EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicants, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
2. The abstract of the disclosure has been amended because the claimed invention is about the Method Claims. Therefore, an amended abstract to which the invention pertains is necessary to clarify the claimed invention, as follows: See MPEP § 608.01(b).

In the Abstract (filed on 3/09/04):

- On line 7, delete "An apparatus and method provide", insert: -- A method is provided --.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance:

The prior art does not teach or fairly suggest all of the limitations of the claimed invention including a method of automatically converting a web of a thin patterned-catalyst coated membrane with the step of cutting the membrane web within a gap defined between a single catalyst pattern of the membrane web end portion and an adjacent catalyst pattern to produce a membrane sheet, where the limitation of "the catalyst" from the preamble of the claim 1 must be accounted for, according to the outcome of the Appeal meeting on April 01, 2009 with Thomas Denion (SPE/ AU3748) and David Bryant (SPE/ AU3726) who insist that the limitation

in the preamble with respect to “the catalyst” must be tied to the body claimed language (Claim 1, line 10) and be part of the claimed invention.

4. Any comments considered necessary by applicants must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tim Phan whose telephone number is 571-272-4568. The examiner can normally be reached on M & Tu, 6AM - 2PM, and W & Th, 9AM – 5PM.
